

# LORDS OF CAMELOT

## *Official Variant for Camelot Legends*

In this variant, the most powerful Arthurian Characters are now more difficult to bring into play.

- **Starting Characters:** During Set-Up, each player can now play 2 regular Characters (to either one or two Locations), or one *Lord of Camelot*.
- **Playing Characters:** A player must spend 2 Actions to play a *Lord of Camelot*. In all other respects, these Characters follow the normal rules of play.

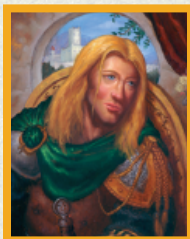

The 12 *Lords of Camelot* include the following:

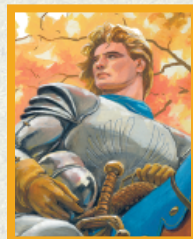

King Arthur

Sir Bors

Sir Galahad

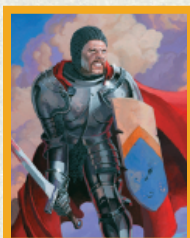

Sir Gareth

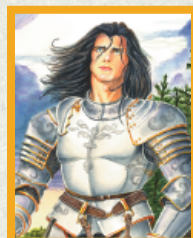

Sir Gawain

Guinevere

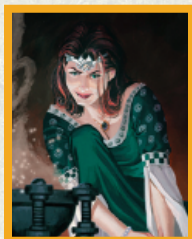

Sir Lamorak

Sir Lancelot

Merlin

Morgan le Fay

Sir Percival

Sir Tristan
